Necrology
of
Former Members
of the
**Air Force Office of Special
Investigations**

[Revised February 18, 2003]

PREFACE

This Necrology is based on a database initially developed by the National Capital Chapter in support of the AFOSISA Memorial Ceremony at the Tomb of the Unknown Soldier, Arlington National Cemetery, Arlington, VA, on 2 August 1988. It has been updated by volunteers at the National Office of the Association based primarily on data provided by the membership. It is a continuing project of the National Office.

*They shall grow not old, as we that are left grow old:
Age shall not weary them, nor the years condemn.
At the going down of the sun and in the morning
We will remember them.*

—Lawrence Binyon, 1869–1943

High Flight

Oh! I have slipped the surly bonds of earth
And danced the skies on laughter silvered wings;
Sunward I've climbed and joined the tumbling mirth
of sunsplit clouds
And done a hundred things you have not dreamed of,
Wheeled and soared and swung,
High in the sunlit silence.
Hov'ring there,
I've chased the shouting wind along
And flung my eager craft
through footless halls of air.
Up, up the long delirious burning blue,
I've topped the wind-swept heights
with easy grace,
Where never lark nor even eagle flew,
And while with silent lifting mind
I've trod the high untrespassed sanctity of space,
Put out my hand and touched the face of God.
